Subject: Request for your assistance to Withdraw our 3 Containers from Gicumbi Barracks.

Dear Sir,

We kindly hereby inform you that, after talking and meeting your staffs based at the mentioned barracks and visiting those containers, we intend to withdraw them from Gicumbi Barracks by today on 24th may, 2023. Those containers belonged to CHINA HENAN INTERNATIONAL COOPERATION GROUP CO, LTD(CHICO). That's the reason why we request for your good office to facilitate that joint action to run smoothly and safely. They were there as the Explosives materials stores for BASE-RUKOMO project which has been already accomplished 2 years ago. So that, we wish to withdraw them because they are no longer used by now as the Explosives materials storages like before.

We sincerely thank you for your usual assistance.

Yours faithfully.

Signed: _____

Director General
